- Randi is getting food handlers card to help with the cake walk.

photographed and sent back so that they are not at the school longer than 4 hours; any more than that a permit would be required.

Rush Coffee Truck

- Since kindness is the theme of the year, every customer got a sleeve that was decorated by a Richland student.
- We don't have a report on the profit yet. We will be able to report back after a month and every month following. The numbers will be a monthly thing.
- The first week tends to be the slowest so the owner was a bit concerned because it was so busy this year.

- They will be there for carnival as well.
- The school is clarifying that pastries will be available for purchase based on the Wellness Policy.

Halloween Carnival Food Vendors

- We were reported last year for not having proper permits so we are filing for them to assure we are completely in compliance since the event is longer than 4 hours.
- Because of this, we are making some changes to the food that is available.
- Food has to come out of food truck, which already meets all the requirements, or it has to be prepackaged.
- We are looking at Jersey Mikes prepackaged sandwiches, uncrustables. A parent offered the option of Pure Burger.
- We are asking for a % back, so some vendors are not willing to do so.
- We are looking for a taco truck because Tostilocos and nachos are being cut.
- Marty offers information that ASO had a taco truck. They probably gave a portion back and she will check with them.

Raffle

- Disney tickets are not being donated this year.
- The process for getting donations are changing. It's lengthy and you have to prove you are a non-profit.; however, if the process is started early enough there is an opportunity for about 20 tickets. We will apply next year and use Halloween Carnival for our event to prove we are a non-profit (reaching a specific number of volunteers). This year we will have to buy 2 Disney Tickets. Its a big expense, but a big money maker.
- We are getting Go-Cards from Costco. We are looking at Knotts Berry Farm, and other San Diego attractions. We received 2 apple watches. We will use one for carnival and one for golf tournament. We have a donation from Horn blower cruises. Bucaroff Is giving away a Soft Ball registration. If anyone has connections, please use them.
- Jenny is running the raffle all day.

- We need hands to decorate baskets. We will advertise that help is needed.
- Fliers will be going out next week with information about the baskets.
- The goal is to make each basket full of items with something in common and to make them similar in value to the others.

Entertainment

- we booked a DJ for \$350.
- Jazz dance team will be performing.
- Boy scouts and girl scouts will be presenting and retiring the colors.
- Cheerleaders from Mission Hills will perform.
- Mission hills bands isn't available.
- Dance FX will perform.
- Parent offers that the karate place by cow shed have come to perform and donate in the past, so it may be beneficial to check with them.
- Also the karate studio off of Twin Oaks by champagne nails has come before.
- There are only 2 hours of performances left to fill.
- Dr. Brommer has a fire engine truck that shoots foam. They also donate a bunch of soap samples.
- There will be a costume contest.
- There will be a parade.
- There will be a stage so people can see the performances better.
- Sasha Stone will be grouping kids so they are loud enough. Most likely at 2:30.

Committee Reports

Teachers report: Kim Klimas

- Mrs. Stevens needs 2-3 people to help with costume drive.
- The board agrees that she can handle cash so she doesn't need to find a volunteer/board member to do that.
- Michelle is in charge.
- Questions if Michelle will be handing out the thank you cards from the teachers. The board will discuss this and report back.

Yearbook: Jennifer Long

- Jen and Vanessa Rojas are working on yearbook this year.
- Are designing fliers to be sent out.
- Yearbooks can be ordered at any time in soft cover and hard cover at - yearbookcenter.com; however, they be sent out until the end of the year.
- This year there is a digital name imprint option. Child's name will be printed on the front of the book.
- Early bird pricing from now until December 22: \$18 for the soft cover only. From December 22- March 1st: \$20. \$25 onsite and there will be extras.
- Hard cover is only available online and at \$30.
- Asking everyone to upload photos on E-share. There is a form when uploading to fill out the name and phone number of person uploading and who the students are and what the event being photographed is. If there is an event with multiple students, then input various students. The goal is to get students represented in a fair and equal way. This only works if as many parents as possible are sending in photos of children. If you are here for any event on campus or things like whacky Wednesday or dine-outs then snap a picture and upload it.

Room Parents: Heidi Slack

- Heidi is the point of contact.
- Denise is stepped down.
- Parents are responsible to find easy ups; however, if anyone has one they would be

willing to let us use for the day, please let us know. Room parents also do the decorations.

- Julie approved Friday's cleaning of the shed. The board will be going through the shed trying to figure out what we have/what we need/what will go where. If anyone wants to volunteer, please do so.
- Room parents ask about decorations stating that the directions say to make a sign but some of them already have them pre-made. The board will check on that on Friday.
- If you are a room parent you shouldn't sign up for a lot of other things and your main job is to get volunteers. Booth will be shut down if there are not enough volunteers.
- If having trouble getting enough volunteers, talk to Heidi. She will be talking to AVID. AVID can be the 2nd person on most booths except inflatable slide/obstacle course. Their insurance states that there has to be 2 adults supervising at all times.
- A parent's sister will be coming down will Chula Vista High School and will be coming down with her track students for volunteers.
- As 5th graders do haunted house, can some class other than 4th grade do the tours?
