**Minutes:** Motion moved and accepted to approve March minutes.

---

### **WELCOME AND INTRODUCTION**

Welcome and introductions are made.

### **FINANCIAL REVIEW: Angela Brown**

- We are looking at a \$7500 deficit since we can't hold APEX, Bingo, and golf is postponed. Better than we expected because APEX is our biggest money maker of the year. Our expenses have been lower than budgeted so that's good.

### **LUMINARY ARTS: Jill and Bruce Blackwell**

- Three options (scrap it, do the production in the Fall, do a concert type production in the Fall). Trying to salvage as much of the experience as possible for the 5th graders especially...we will invite them back to be in the play even though they'll be in middle school. Elena offered to make costumes during makers space time (mommy & me project). We missed 12 regular rehearsals, 2 tech rehearsals, and 2 shows from the closure. They would need at least 6 weeks of rehearsals to put on the production. Board will follow up after discussing options.

### **Website: Breena Hope**

- Brief overview and demo given

### **Community Support: Heidi Slack**

- Board is reaching out to local companies that have supported us to see what we can do for them.

### **APEX: April Vilafana**

- possibility of having a google classroom to share the APEX lessons.....with or without the fundraising part.

### **Principal Update: Julie Barbara**

- Distance learning is not what we want to do, but proud of what the teachers have done with it. They are all putting so much work in.

### **Teacher Representative: Kim Klimas**

- Wanted to check if there were funds in the budget for classroom support. We let her know we still have it if people want to submit, but asked that they could submit receipts soon so we can plan for it.

### **GOLF: Ronny Tyrell**

- Twin Oaks
- We don't want to do it when people can't use golf carts.
- We hope to reschedule for August once its safe to get out there.

### **Bingo de Mayo**

- May 1st.
- Cards are each \$5 and people can buy one card for all games or multiple cards. Lena emailed Cenote Grill and Cocina del Charro to see if they can help out with passing out door prizes.

### **Yearbook: Jen Long**

- Shipped to Jen's house. The plant closed due to Covid-19 so yearbook distribution might be a little late.
- We sold 298 books. Sales close on 4/20. We are not ordering any extras since school isn't open.

### **Summer Fundraiser Ideas: wine night at Twin Oaks**

#### **DISCUSSION:**

- 5th graders. Signs are \$8 each to put in front of 5th grader houses. Mom is making a google doc and accepting Venmo payments from parents. Sponsor options available so we can get signs for all of the 5th graders. We'd also like to look into a banner in front of school.
- Thanks to cafeteria workers. Staff has been doing a goodie table for them (7-8 people per day) and there is a shared doc for sign up. Julie will share with Lena to forward so we can fill all of the slots.
- Elena asked about the Discovery Museum Grant. Julie asked her to see if they could roll it over to next year.

---

**Meeting Adjournment: 7:00 pm**

**Minutes Compiled by: Lena Meum and Breena Hope**
