WELCOME AND INTRODUCTIONS

BUDGET & FINANCIAL REVIEW

HIGHLIGHTS:

- 60th far exceeded our expectations - \$1,900.
- Suggestion from Julie that maybe next year we set up a fun Friday night for the kids for child care here at the school.
- halloween \$100 shy of breaking \$20,000 - budget projected \$18000 profit. We are still waiting on ChickFilA. Last year it brought in \$250 so we could very well break \$20,000.
- Still waiting on final from silver graphics. However it runs until June 30th, 2020.
- This year we are breaking Student store and spirit wear down and separating the two. We are on track. VAPA showcase brought in \$350 in the bake sale.
- The Club will be funding running club as the grant we had for it ended. The last few years it was

an Orthodontist but they will not be covering this year.

- Student council has \$450 from popsicle sales. They were not able to secure the goal posts.
- 5th grade has a surplus \$551.41 after having purchased shirts. Mendiola has information. Funds to be allocated properly.

LUMINARY ARTS

- The evening performance at 6:00 on the 19th of December will cost \$3 at the door and there will be no assigned seating. We accept cash or venmo.

- There is also a performance on the 12th after rehearsal at XXXXX at XXXXX
- Ukulele is performing at the tree lighting ceremony at 3:00.

Aladdin:

- Discussion about whether or not it is audition only and if so, can TK, Kinder and 1st can be part of the play.

Julie to email Jill for clarification and to get a blurb for the eBlast.

- Play will be at La Mirada.

WEDNESDAY ENRICHMENT CLASSES

- The FOR Club would like to start a continuous program on Wed from 2:10-3:10.

- Little Language Ambassadors.
- Hopefully next meeting we will have Representatives from each speak.
- Hopefully we will know details by April or May.
- Discussion about Destination Imagination - teams 3rd, 4th, and 5th is a program that FOR Club could possibly sponsor. It is Engineering based. Compete in February state level. Goes up to high school.
- Discussion about any ideas about enrichment: Fit Kids, Soccer Kids Julie. The FOR Club does

so many running clubs, ukulele, luminary that it would like to do something academic. We could do model something similar to Mission Hills Academy programs.
