Game Booth Info Sheet

# Cake Walk

Tickets per game:  
4 tickets to play

## Game Setup:

Set up baked goods on tables around the room. Tape laminated numbers in a large circle on the edge of the room. Make sure cakes are organized and displayed nicely. Set stereo and numbers box next to each other on a table or desk. To comply with health regulations, the baked goods must all be fully wrapped/covered and cannot be opened, cut, or eaten in the room.

## Game Rules:

Wait until there are at least 4 players. Players each stand on a floor number. Volunteers will play the music and players will walk in a circle. When the music stops, players each go stand on the closest number to them. Volunteers draw a random number from a box, and the player standing on that number wins a baked good.

## Prize:

A baked good of the winner's choice  
No Candy tickets are given in this Booth
