

Richland Halloween Carnival 2019
Game Booth Info Sheet

Dump Bucket

Tickets per game:
5 tickets for 3 beanbags

Game Setup:

There will be a plastic PVC lever system with a target and a bucket. Fill the dump bucket partway with water (about $\frac{1}{4}$ - $\frac{1}{2}$ full). Set the folding chair under the bucket. Place a tape line 8 feet from the target. Have several towels nearby for teacher to dry off with. Teachers will sign up for 30-60 minute shifts in the chair. The DJ will announce when a new participant sits down.

Game Rules:

Teacher sits in the chair under the bucket. Players throw beanbags at the target (NOT the teacher!) and try to get the bucket to tip onto the teacher.

Prize:

Watching a teacher get soaked by the bucket!
No Candy tickets are given in this Booth
