**Minutes:** February minutes moved and approved.

---

### Welcome and Intro

- Motion moved and seconded to accept the February meeting minutes.

### Financial

- APEX Net \$20,770.56 although the results are via square so final numbers will fluctuate.
- Filed for taxes so some expenses.
- Restaurant nights are doing well.

### APEX:

- Thanks for support to parents and students.
- There is a meeting next Tuesday, March 9th to schedule for next year. We like the time frame of February or March so that the even can be in the yearbook.
- Lots of drawstring bags still left in the cafeteria.

### 5th Grade Promotion:

- FOR Club will sponsor promotion signs for the 5th graders.
- Possibly throw it out to parents and teacher if anyone wants to sponsor.
- Too soon to know what the promotion will look like but it will follow district guidelines and possibly have an outdoor plan with social distancing.

### **Principal Update**

- School Board meeting last night. There are a lot of budget cuts. COVID specific budget will be coming in so that will help.
- KOC will be cut for the next school year.
- 65 million to rebuild Richland was approved.

#### **VIDEO of Richland Rebuild:**

- Mr. Shaws garden will stay near where kids will eat.
- MPR, VAPA, Cafeteria, Library with lots of areas for small groups with smart boards.
- Plans are heading to the State in March for approval and will probably take about 6 months.
- Demolition will start in June and they will build in the back of the school. Once built, everyone will move in and then the classrooms will be demolished. A track will be put in. The front and back parking lot will be lost and a separate pick up and drop off for TK and Kinder and a bus drop off and pick up. There will be safer, small windows. State of the art ventilation systems and outdoor learning opportunities. They can't save the handprint wall but maybe there will be the opportunity to come break it off with hammer or maybe we could organize a fundraiser to do some tile cutting. Possibly a few in a shadow box in the office.
- The process should take about 1 1/2 to build and 6 months for the playground.

### **School Pictures:**

- March 5th and 6th, outdoor.
- LEVS can come any time they are doing pictures.
- Girardy may be able to put picture they choose in the yearbook.

### **FOR Club 2021/2022:**

- Interest form is sent out.
- Should be completed by the end of March.
- There has been one new person who has expressed interest.

### **Dineouts:**

- Applebees: on Monday, March 8th 11-9:00.
- March 10th preorder for Kona Ice for end of the month.
- April 29: My Yard Live
- Cocina Del Charro with Bingo de Mayo
- Menchies: end of May

### **OnGoing Fundraisers:**

- Silver Graphics: \$659.63 for fall
- Hibernate: \$731.50
- Farm Fresh to You: behind in reporting.

### **Miscellaneous:**

- Winco: \$500 gift certificates
- Carnival is a maybe because of COVID and demolition.

**Yearbook:**

- Needs more picture submissions.

**Bingo De Mayo:**

- May 4th @ 6:30: Family event
- Cocina De Charro dineout moved here.
- Give Smart platform.
- If anyone has ideas for donations please contact FOR Club at friendsofrichland@gmail.com.
